The Director of Central Intelligence

Washington, D.C. 20505

28 March 1986

MEMORANDUM FOR: DDA

FROM: DCI

Can you have somebody dig up for me a 175 page paper which is said to have been ordered by President Roosevelt at almost the end of his life. It was supposed to be the report from the investigation into the OSS which was completed and handed to President Truman a few months after his succession in office. It is said to have been sanitized with a copy finding its way to the Truman Library.
